

Happy Holidays from New Dawn Acres!

With Thanksgiving Day just behind us, let me take this opportunity to express my sincere thanks to all of our herdshare members. Whether you became a new customer in 2023 (and we have quite a few of those) or have been getting fresh A2/A2 milk and milk products from New Dawn Acres for years, thank you for your loyal support. We would not be able to offer these healthful dairy products with your partnership!

As I have mentioned before, our goat milk volume will be at its lowest point of the year for the next couple months. So, in order to continue to fulfill fluid goat milk orders, we will not be making any goat yogurts or cheeses during this time. Stay tuned in a couple months for goat milk volume to return with spring kidding!

Additionally, for the month of December you will notice that there will be no feature cheeses listed on the order sheets. We are going to pause production of our weekly feature cheeses, and we will let you know when Ricotta, Pressed Garlic Chive, Mozzarella, and Paneer will be available to order again.

Attached you will find your invoice for products ordered in November. If you pay weekly for your orders, please just use this invoice for reconciliation purposes. Otherwise, please pay your invoice total in full by December 11th in order to continue to receive deliveries to your drop location. If you have any questions about the forms of payment we accept, please email me anytime at [newdawnacres@gmail.com](mailto:newdawnacres@gmail.com).

And since the next holiday is right around the corner, I would like to take this opportunity to wish you and your family a very blessed and meaningful Christmas! May it be filled with peace and joy!

All the best!  
Summer Pate
